

## Pesticide Spray Drift Conference – Agenda – September 5, 2001

Moderator: Carol Ramsay

8:00- 8:10 **Welcome**

Paul Helliker, Director, California Dept. of Pesticide Regulation

**8:10- 8:20 Past and Present Conference Goals**

Carol Ramsay, Washington State University

**8:20- 9:15 Spray Drift Task Force Data on Drift**

George Ramsey, Andrew Hewitt, and Dave Valcore

**9:15- 9:30 EPA's Consideration of the Data**

Jay Ellenberger, US EPA Office of Pesticide Programs

9:30- 9:45 Question and Answer Session

9:45-10:15 Break

10:15-11:30 **Panel: Spray Droplet Spectrum Classification**

- |  |   |
|--|---|
| • <b>Classification Origin and Definition of Categories</b> (25 min.)    | Andrew Hewitt, Stewart Ag. Research Svc.        |
| • <b>Nozzle Manufacturers Integration of Categories</b> (10 min.)        | Tim Stuenkel, Spraying Systems                  |
| • <b>Droplet Spectra for Aerial Applicators</b> (25 min.)                | Buddy Kirk, USDA Agric. Research Service        |
| • <b>State Regulatory Perspective on Performance Standards</b> (15 min.) | Paul Gosselin, CA Dept. of Pesticide Regulation |

11:30-11:45 Question and Answer Session

**11:45- 1:00 Luncheon - Drift and Its Legal Implications**

Dennis Gardisser, University of Arkansas

Moderator: Bob Wolf

**1:00- 2:00    Panel: Product Labeling Issues**

- **Proposed Federal Labeling Guidance** (30 min.) Jay Ellenberger, US EPA Office of Pesticide Programs
- **State Enforcement of Labels, Issues with Guidance** (15 min.) Dave Scott, Indiana State Chemist Office
- **Product Registrant Response to Guidance** (15 min.) Dave Valcore, DowAgroSciences

2:00- 2:20 Question and Answer Session

**2:20- 3:00 Drift from Ground Sprays – Engineering for Mitigation**

Ken Giles, University of California - Davis

3:00- 3:20	Break
------------	-------

**3:20- 4:00 Drift from Aerial Application – Mitigation Technology**

Dennis Gardisser, University of Arkansas

## 4:00- 4:40 Drift from Airblast Sprayers – Mitigation Technology

Gary VanEe, Michigan State University

**4:40- 5:00 Education: Tools to Demonstrate Drift**

Bob Wolf, Kansas State University

5:00- 5:15 Question and Answer Session

**5:15- 7:00 Exhibits and Reception**

-- OVER --

## Pesticide Spray Drift Conference – Agenda – September 6, 2001

7:30- 8:45 **Exhibits and Continental Breakfast**

Moderator: Dave Valcore

8:45- 9:00 **Education: Training Resources**

Ples Spradley, University of Arkansas

9:00- 9:45 **Meteorology**

George Ramsey, DuPont

9:45-10:45 **The AgDrift Model: Its Development and Current Use**

Dave Esterly, Environmental Focus

10:45-11:00 Question and Answer Session

11:00-12:15 **Exhibits**

12:15- 1:30 **Luncheon – Community Issues & Concerns**

Susan Kegley, Pesticide Action Network

Moderator: Ples Spradley

1:30- 1:55 **European Issues on Spray Quality**

Steffen Graef, Agrotop

1:55- 2:20 **Canadian Issues on Spray Quality and Buffers**

Tom Wolf, Agriculture and Agri-Food Canada

2:20- 2:45 Break

2:45- 3:15 **Tank Mixes and Adjuvants**

Andrew Hewitt, Stewart Agricultural Research Services

3:15- 4:00 **Common Drift Compliance Issues**

Dave Scott and Paul Gosselin

4:00- 4:45 **BMP's Connection to Sensitive Areas Labeling**

- **Labeling to Protect Sensitive Areas**

Jay Ellenberger, US EPA Office of Pesticide Programs

- **BMP's to Define Sensitive Areas**

Carol Somody, Syngenta

- **Referencing BMPs on Labels**

Dave Valcore, Dow AgroSciences

- **BMP Development for Sensitive Areas**

Robert Ehn, R3 Ag Consulting

4:45- 5:00 Question and Answer Session

5:00 Adjourn
